

The Caring for Carcinoid Foundation &
the University of Texas M. D. Anderson Cancer Center

Neuroendocrine Tumor Patient Education Day

A free educational conference for patients and caregivers

Friday, April 30, 2010

8:30 a.m. – 5:00 p.m. (Registration begins at 8:00 a.m.)

M. D. Anderson Cancer Center, AT&T Auditorium (Main Building, Floor 2, near Elevator D)

Registration is required.

Please e-mail ashley.malins@caringforcarcinoid.org or call 617-848-3977 to register.

Please join us to learn more about the latest developments in research and treatment for neuroendocrine tumors. Each expert speaker will give a brief lecture and then answer questions from patients and caregivers in a moderated discussion. To learn more about this free event, visit www.caringforcarcinoid.org or call 617-848-3977.

Speakers include:

Eddie Abdalla, M.D., Associate Professor, Surgical Oncology, M. D. Anderson

Lowell Anthony, M.D., Director of Gastrointestinal and Neuroendocrine Oncology, Louisiana State University Health Sciences Center; Professor, Hematology and Oncology, Ochsner Kenner Medical Center, Louisiana

Annette Bisanz, M.P.H., Advanced Practice Nurse, M. D. Anderson

April Boyd, R.N., Clinical Nurse, M. D. Anderson

Jason Fleming, M.D., Associate Professor, Surgical Oncology, M. D. Anderson

Ravi Murthy, M.D., Associate Professor, Diagnostic Radiology, M. D. Anderson

Alexandria Phan, M.D., Associate Professor, GI Medical Oncology, M. D. Anderson

James Yao, M.D., Associate Professor, GI Medical Oncology, M. D. Anderson

All patient and caregivers are invited to submit their questions. Please submit your questions by email to askthedoctor@caringforcarcinoid.org before April 1. We will answer your questions during the conference.
